

LORI M. FEY

Portfolio Director - Policy Initiatives

As Portfolio Director for Policy Initiatives, Lori Fey oversees development of the foundation's policy efforts focused on transforming the lives of children living in urban poverty. In addition, she manages a multi-million dollar portfolio of initiatives including the foundation's involvement in the Data Quality Campaign, the Texas Student Data System, and the Texas High School Project and Texas Science, Technology, Engineering and Math Initiative (T-STEM), a unique \$260M public-private alliance focused on improving high school graduation rates, college readiness and STEM-field preparation among low-income and minority students in Texas.

Prior to joining the foundation in 2003 as its first grant officer, Ms. Fey worked extensively in the nonprofit and public sectors, including nonprofit management and fundraising consulting and self-insurance administration and insurance regulation. She holds a Bachelor of Business Administration in Finance from The University of Texas at Austin and is a proud native Texan and product of public education.

MICHAEL & SUSAN DELL FOUNDATION

The Michael & Susan Dell Foundation (www.msdf.org) is dedicated to improving the lives of children living in urban poverty around the world. With offices in Austin, TX and New Delhi, India, and Cape Town, South Africa, the Dell family foundation funds programs that foster high-quality public education and childhood health, and improve the economic stability of families living in poverty. The foundation has committed more than \$600 million to global children's issues and community initiatives to date.
