Source: *Foundation Giving Trends* (2003), The Foundation Center. All Dollars expressed in thousands, due to rounding, figures may not add up.

*Based on grants of \$10,000 or more awarded by a national sample of 1,007 larger U.S. foundations (including 800 of the 1,000 largest ranked by total giving). For community foundations, only discretionary grants are included. Grants to smaller local foundations are not represented. The difference between total grants awarded and total grants received represents grants to overseas recipients.

¹Geographic regions as defined by the U.S. Bureau of the Census.

²Five states were not represented in the foundation sample; however, grants were awarded in all 50 states.

³Total for grants received includes 92 grants totaling \$4,041,238 to recipients based in U.S. territories (American Samoa, Guam, Puerto Rico, and the Virgin Islands).
