*Aggregate foundation fiscal information elsewhere in FCStats is based on data provided to the Center as of January 2004. Fiscal data on individual foundations included in this table may be more current.

¹For some operating foundations, total giving includes grants and program expenses; for others, total giving includes only grants. Most operating foundations' qualifying distributions are paid out for administration of operating programs and not for grants.

²Qualifying distributions are the expenditures used in calculating the required payout; includes total giving, as well as reasonable administrative expenses, set-asides, PRIs, operating program expenses, and amount paid to acquire assets used directly for charitable purposes.
