*Figures include only foundations that receive the Foundation Center's annual Foundation Directory survey. The survey sample includes the top 1,000 foundations based on total giving; all corporate and community foundations; all PRI providers and celebrity foundations; prior survey respondents and foundations that provide information on their activities directly to the Center; and additional foundations ranked among the top 10,000 based on total giving.

¹Foundations were ranked by number of staff, and the staffing figure for the foundation at the midpoint represented the median.
