February 2009

South Pittsburgh is unique and blessed in its human resources. We want to give a special acknowledgement to a group of providers who collectively focused their time, energy, and wisdom to help create the 2nd Edition of the *Birmingham Directory*. The 3rd Edition would not be possible without their prior contributions:

South Consortium
Helpline
Mercy Children's Medical Center
Carnegie Library
COTRAIC
Brashear Association

Special thanks to the present and former Foundation staff who worked on updating and preparing the information to be presented in an online format:

Mary Phan-Gruber, Former Executive Director
Jessica Friedrichs, Former Intern
Chris Mason, Current Administrative Assistant

We would also like to acknowledge staff members at Three Rivers Connect (3RC) who helped gather information from www.humanservices.net and provided technical support in preparation of launching the *Directory* on our website.

A special thanks to the Foundation Center, who hosts our website and provided the final work of getting the *Directory* added to our website.

Mark Stephen Bibro
Executive Director
